WHAT IS VIDEOCOLLECTIF ?

A concept created by Natan Karczmar. Videocollectifs are 3 minutes films offering a personal look at the town / view of the town. Everybody can participate : French or foreigners, visitors or citizens. It is a topic of one's own choice, which represents a personal view, a desire to share pictures, a video memory.

BROADCASTING

Participants accept the presentation and broadcasting of their free from rights film, at the Vidéoformes festival, University Culture Service events (Ecrans SUC) during events organized by the Mission for International Relations of Clermont-Ferrand, exhibitions, festivals, etc... in all the countries and also on the Internet. Each film will be at least shown once in public session. There will be no commercial use.

FORMATS AND MEDIA

Quicktime (720x576 pixels) on CDRom or DVDRom.
